19th March 2019

Dear Parent/Carer

As part of our **healthy breakfast** offer for every child, we would like to **give all of our children from Nursery to Year 1**, the Department of Health recommendation of daily vitamins.

The Department of Health recommends vitamins up to the **age of at least five** to ensure a strong immune system. The vitamins would take the form of a **chewy tablet** taken first thing with their bagel breakfast.

Please sign below to give permission; we will be starting this initiative **after the Easter holidays**.

Kind regards

Mrs Ruby Grey
Headteacher

I give/do not give permission for my child to have a vitamin in school
