Wednesday 20th March

Dear parents/carers,

The Year 6 children and staff are launching the '**Year 6 Legacy Project**'. The aim is to run this each year in Year 6 whereby Y6 children work on a **project that helps develop the school** in some way. This year (the first year of the project), **Y6 are hoping to develop more imaginative play opportunities in the playground**. They are hoping to **raise money** in various ways to fund part of this. Suggestions from the children have included a **bake sale, a sponsored walk or read and a non-uniform day**, amongst others.

Their first fund raiser is on Thursday April 4th: it is a **non-uniform day** and they ask that all children who wear non-uniform that day make a **donation of a pound**. All money raised will be spent on resources for the playground for all children in the school. The theme of the non-uniform day is "**Dress as crazy as you like!**"

We are proud of our Year 6 children for so readily taking on this project; they will be making a difference at Woodland View for years to come.

Thank you for your support in this,

Year 6 children and staff.
