Dear Parent/Carer

We would like to express our deepest gratitude to Mrs Johnston for her unwavering dedication and support for Ladybirds this year. During what has been a very difficult time, she has been an essential part of the Foundation Team. It is with great sadness we have to say goodbye to her, but we hope she will return next year to do some cover teaching for us. We wish her all the best for the future.

Kind regards

Ruby Grey  
Headteacher
